Our Story Rolls Out From The Time Of 1994 When Only Long Sheets Of Papers Were Available And We Had Bicycles To Market Our Products. We Had School Students Coming In Who Asked For Small A4-size Sheets Or Chart Papers, Sadly, We Couldn't Serve What They Would Ask For. Thus, We Started The Entire Concept Of "paper-cutting" And Selling It. Over A Period Of Time, We Started Understanding Their Needs And Started Selling Scrapbooks, Notebooks, So On And So Forth. At Every Step Of Our Journey, We've Developed And Gained Knowledge That Would Help Us Serve Our Target Better.
